Cadwch 50 metr oddi wrth y morloi bach
a chadwch y ci'n ddigon pell i ffwrdd.

Os yw'r un bach ar ei ben ei hun ar y traeth,
dyw e ddim wedi ei adael yn amddfriad,
peidiwch â cheisio ei symud o gwbl.

Fel rheol mae'r fam wrth law yn y dŵr.
Cadwch draw er mwyn iddi allu dychwelyd
at yr un bach fel bo angen.

Peidiwch byth â chwrso morloi bach i mewn
i'r môr - tydyn nhw ddim yn gallu nofio'n
iawn ac mae angen amser arnynt i
orffwys a thyfu.

Os ydych chi'n meddwl bod morlo'n
sâl neu wedi ei anafu ffoniwch yr RSPCA
ar 0300 1234 999. Peidiwch â cheisio
symud yr anifail na chyffwrdd
ynddo o gwbl.

Please keep 50 metres from seal pups
and keep your dog away.

If a pup is alone on a beach it is not
abandoned, do not attempt to move it.
Its mother is usually nearby in the water,
keep away so she can return to her pup
when she needs to.

Seal pups should never be chased into the
sea - they are poor swimmers and need to
spend their time resting and growing.

If you are concerned about the welfare
of a seal because you believe the animal
is sick or injured please call the RSPCA on
0300 1234 999. Do not attempt to move
or intervene with the animal yourself.
